Sampoerna University offers flexible education pathways. Students take the same courses as they would in the U.S. for their first two years. They may complete their study abroad or in Jakarta with us for the next two years.

## General Education

Sampoerna University students adjust better to U.S. Higher Education thanks to our General Education Core Courses. These courses make it easy for them to transfer seamlessly to top U.S. universities.

**Sampoerna University is recognized as one of ten (10) U.S. accredited Broward College International Centers around the world and the only accredited center in Indonesia.**

## BROWARD COLLEGE™

The Broward College International Education Program model allows Sampoerna University students to stay in Indonesia and complete an Associate's degree (the first two years of a 4-year U.S. Bachelor's degree) before transferring to hundreds of top universities ranked in the top 5% in the world to finish the final two years of their Bachelor's degree.

10 Broward College's Centers in the world

A collaboration with Broward College enables us to provide:

- ✓ The same coursework and curriculum as those offered in the U.S.
- ✓ Transferable academic credits included on a U.S. transcript
- ✓ U.S. Associate's degree upon completion of the two-year program (optional)

## ALUMNI TESTIMONIALS

**Giovanni Marsie**  
Class of 2014

Product Marketing Manager  
Google Indonesia

"At Sampoerna University, I learned how to overcome challenges, be open-minded, and be always up for any opportunities. My experience of joining student extracurricular organizations at SU helped me a lot to adapt to the environment and culture of a multinational company such as Google, where I work now."

**Arum Megadistya**  
Class of 2018

Assistant Assurance  
Ernst & Young Indonesia

"Grades are important but employers look for more than just grades. They look for those well-rounded individuals to be able to build relationship with clients and add values. My study and active participation in student organizations at Sampoerna University built my management skills so I can juggle those tasks and get assignments done on time."
