SAMPOERNA UNIVERSITY TUITION FEE

2022/2023 ACADEMIC YEAR INTAKE

NOTES

1. This tuition fee applies for Academic Year 2022/2023.
2. The total amount of tuition fee is for illustration purposes only. Actual total tuition fee depends on the number of semesters and credit hours taken by the student.
3. Tuition Fee includes: jacket, books and orientation fee.
4. Tuition Fee excludes: Summer Bridge Program (IDR 32 million) and Application Fee (IDR 500K).
5. Should a student take fewer than 18 credit hours per semester, tuition will be charged per credit basis.
6. All students are automatically enrolled in the Sampoerna University General Education Program during Year 1 and Year 2.
7. Sampoerna University collaborates with the University of Arizona to deliver the Mechanical Engineering, Industrial Engineering, Computer Science, Information System and Management Two Degree Program.
8. Students who wish to transfer to a U.S University or another overseas university may do so after completing at least 1 full semester (15 credits) at Sampoerna University General Education Program. The number of transferable credits from Sampoerna University General Education Program will depend on the number of earned credits, grades, choice of study program and other conditions or requirements as determined by the destination university.
9. SU welcomes students transferring from other colleges/universities. The transferable credits will depend on the terms and conditions set by Sampoerna University.
10. FOE students cannot change major.
