

Faculty of **Education**

Faculty of Education aims to accelerate the educational transformation in Indonesia and beyond to meet the 21st century challenges. To pursue this agenda, we offer curricula that place an emphasis on multi-disciplinary approaches, new technologies, reflective and research skills, and theory-practice integration. These programs are designed to produce high-quality transformative educators with a passion for lifelong learning.

ENGLISH LANGUAGE EDUCATION PROGRAM

Bachelor of Education in English Language Education program is designed to address Indonesia's need for high quality English teachers with the competencies to teach using 21st Century approaches. This program offers students opportunities to explore contemporary theories and practices underpinning English Language curriculum and instruction and to develop skills in teaching English for different grade-levels of primary and secondary schools.

Competencies to achieve:

- Interdisciplinary Thinking
- Skills in New Technologies in ICT
- Reflective and Research Skills
- Professionalism
- Transformation Skills
- Bilingual Communication Skills
- Sampoerna DNA (Leadership, Entrepreneurship, and Social Responsibility)
