SAMPOERNA UNIVERSITY TUITION FEE

2023/2024 ACADEMIC YEAR INTAKE

NOTES

1. This tuition fee applies for Academic Year 2023/2024.
2. The total amount of tuition fee is for illustration purposes only. Actual total tuition fee depends on the number of semesters and credit hours taken by the student.
3. Tuition Fee excludes: Summer Bridge Program (IDR 32 million) and Application Fee (IDR 500K).
4. Students who are taking short semester (summer or winter term), might be charged on a per credit basis.
5. Should a student take fewer than 18 credit hours per semester (Fall or Spring semester), tuition will be charged on a per credit basis.
6. All students are enroll in the Sampoerna University General Education Program during Year 1 and Year 2.
7. Students who wish to transfer to a U.S University or another overseas university may do so after completing at least 1 full semester (18 credits) at Sampoerna University General Education Program. The number of transferable credits from Sampoerna University General Education Program will depend on the number of earned credits, grades, choice of study program and other conditions or requirements as determined by the destination university.
8. SU welcomes students transferring from other colleges/universities. The transferable credits will depend on the terms and conditions set by Sampoerna University.
9. Students who received more than 50% merit award cannot change major.
