SAMPOERNA UNIVERSITY TUITION FEE

2024/2025 ACADEMIC YEAR INTAKE

NOTES

1. This tuition fee applies for Academic Year 2024/2025.
2. The total amount of tuition fee is for illustration purposes only. Actual total tuition fee depends on the number of semesters and credit hours taken by the student.
3. Tuition Fee excludes: Summer Bridge Program (IDR 32 million) and Application Fee (IDR 500K).
4. Students who are taking short semester (Summer or Winter term), might be charged on a per credit basis.
5. Should a student take fewer than 18 credit hours per semester (Fall or Spring semester), tuition will be charged on a per credit basis.
6. All students are enrolled in the Sampoerna University General Education Program during Year 1 and Year 2.
7. Sampoerna University collaborates with the University of Arizona to deliver the Mechanical Engineering, Industrial Engineering, Computer Science, Information System, Management and Psychology study programs.
8. SU welcomes students transferring from other colleges/universities. The transferable credits will depend on the terms and conditions set by Sampoerna University.
9. Scholarship recipients are not able to change major.
